Previous Operating Certificate

AIR POLLUTION CONTROL DISTRICT

PERMIT TO OPERATE

Date December 31, 1990

Permit __18-91-9

Name Baldwin Contracting Company Issued by Viewland Plant

THIS PERMIT EXPIRES 1 YEAR FROM ABOVE DATE YEAR

PERMIT CONDITIONS FOR BALDWIN CONSTRUCTION COMPANY DOYLE AND VIEWLAND PLANTS

- 1. Baldwin Construction Company shall apply water to all roads on the plant sites which are being used during plant operation. All roads being used shall be wet at all times without exception. Additionally, stockpiles of sand, gravel, etc. should also be watered when feasible.
- 2. Baldwin Construction Company shall install or replace any and all metal flashing around hoppers, conveyors or fans in order that fugitive dust resulting from operation of the plants is reduced to a level which is in compliance with District Rule 4:18. Installation or replacement of such metal flashing shall occur prior to startup of the plants in 1991. Additionally, Baldwin Construction Company shall notify the Lassen County Air Pollution Control District at the start of the first days operation in 1991, so that an inspection can be made of the plant sites to determine compliance with this condition.

Kenneth R. Smith
Air Pollution Control Officer
